

Engaging a Registered Company Auditor to perform the audit of your trust account

The SA Land Agents Act 1994 and the SA Conveyancers Act 1994 require land agents and conveyancers who maintain a trust account to have that trust account and its associated records audited annually.

The audit must be performed by a Registered Company Auditor. All three audit partners at Galpins are Registered Company Auditors, giving depth and guaranteed continuity of service. Luke Williams, Tim Muhlhausler and Simon Smith all have experience in the audit of land agent and conveyancer trust accounts.
